LEARNING COOPERATION RESPECT TEAMWORK SAFETY FUN HONESTY FRIENDSHIP

Newsletter: Term 1, Week 10

Thursday, April 2nd 2020

Dear Families,

As we come to the end of Term 1, I would like to thank our staff for their hard work and dedication and our families for their continued support. This Term has been like no other with great uncertainty and it would be remiss of me to not thank staff, students and families for their patience and understanding in these unprecedented times. Our Term is finishing earlier than expected with the 3rd April being our last day. *School will finish at 3.05pm this Friday.*

Staff will engage in 4 pupil free days between Monday 6th to Thursday 9th April. This will support our transition to flexible teaching and learning and provide time to plan and prepare for new models of learning that can be delivered consistently to students at home and school. OSHC and vacation care will continue to operate over the pupil free days and school holidays for children who aren't able to be safely supervised at home, including children of essential workers. Please contact Carol at OSHC to make bookings.

On Tuesday 30th March an email was sent to families to indicate their child/rens learning mode for Term 2. We understand that circumstances are changing daily and it might be difficult to make a decision at this early stage, however your indication will assist in our planning for Term 2. Please be sure that if your decision does change over the next 3 weeks, the school will be able to accommodate your child/ren. Please keep us update if this is the case.

We will endeavour to keep you updated regarding the COVID - 19 situation. Please frequently check your emails, Skoolbag or classroom Seesaw accounts for updated information over the coming weeks. Please keep us informed if any contact details change, including emails addresses.

I would like to wish all our staff, students and families a safe and wonderful Easter and school holiday break.

Nic Dale

Principal

Coronavirus update

SA Health advises that:

Washing hands with soap and water is the best way to reduce the number of microorganisms (germs) on hands and should always be encouraged over the use of alcohol based hand sanitisers in a non-healthcare setting.

When soap and water are not readily available, alcohol based hand sanitisers or rubs are acceptable but only if the hands are not visibly soiled.

Parents seeking more information should be encouraged to call the National Coronavirus Health Information Line on 1800 020 080

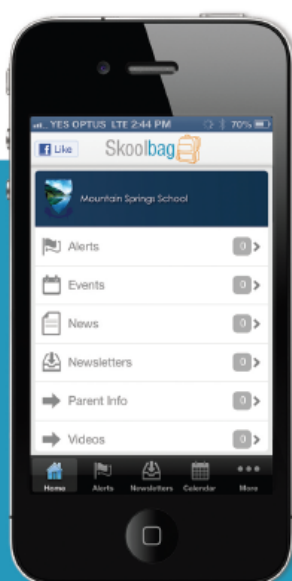

What's Happening?

3rd April	Last Day of Term 1 - 3:05pm Casual Clothes Day
6th - 9th April	Pupil Free Days - OSHC Available
27th April	Term 2 Starts

Government of South Australia
Department for Education

To keep up to date with current information, please download the Skoolbag App.

Skoolbag

Smartphone school to parent communication

Skoolbag is a mobile App for your school to communicate directly to both parents and students. It works through both smart phones and smart devices (such as iPads and Android Tablets). Ideal for:

- > School, free push notification alerts
- > School events
- > School newsletters
- > School documents
- > School RSS feeds
- > School social media (Facebook, Twitter)

Skoolbag delivers school notices directly to parents and students

How To Install Skoolbag On Your Smartphone

iPhone & iPad Users

1. Click the "App Store" icon on your Apple device.
2. Type your school name in the search, using suburb name will help.
3. If iPhone, you will see your school appear, click "Free" then "install".
4. If iPad, change the drop list to "iPhone Apps"; your school will then be visible, click "Free" then "install".
5. When installed click "Open"
6. Select "OK" to receive push notifications, when asked.
7. Click the "More" button on the bottom right of the App, then "Setup".
8. Toggle on the Push Categories that are applicable for you.

Android Users

You must first have signed up with a Google Account before installing the app.

1. Click the "Play Store" button on your Android Device
2. Click the magnifying glass icon at the top and type in your school name, using suburb name will help.
3. Click the school name when it appears in the search.
4. Click the "Install" button.
5. Click "Accept" for various permissions (please note, we do not modify any of your personal data on your device).
6. Click "Open" when installed.
7. Click the "More" button on the bottom right of the App, then "Setup".
8. Toggle on the Push Categories that are applicable for you.
