## Dear Families,

Welcome to Term 3! I trust everyone had a relaxing and enjoyable holiday break. We have a busy and exciting term ahead.

During the first 3 weeks I will be Acting Principal, Kelly Blandford will be Acting Deputy and Karla Kosonen will be doing leadership support whilst Nic is on leave for the first three weeks of Term.

We will continue to communicate with you about updates throughout the term.

## COVID News

The SA Health advice remains the same for Term 3. Please remember if you must come on site you must adhere to social distancing expectations and we ask families to pick up their children and meet with teachers outside classrooms. Please continue to practice good hygiene habits.

## Building and School Grounds Update:

Over the holidays we had a number of projects completed around the school. A teachers preparation space has been created in the veranda space by the STEM room and netting was installed in the gym.

During the holidays a number of staff members replanted the garden at the front of the school and have created a veggie garden for student use outside the carpark. A big thank you to all involved.

## School Hats:

Please remember that all students are required to wear a sun safe hat during outside play and activities. Hats are available for purchase from via the QKR App for \$11.00. This is in keeping with our adherence to the Cancer Council's Sun Safe Schools policy.

## Year 7 to High School Update:

All preferences have been returned! Thank you to all families for doing so promptly. High School placement will be available in the coming weeks.

### School Rule Update and focus on High Expectations:

As we return to school in Term 3 we have been talking with our students about high expectations. At assembly we have spoken about our expectations, before school, at play times and during class. Over the next few weeks we will be focusing on uniforms, keeping our school clean and high expectations in class.

We have updated our 3 school rules posters and will continue to use them across the site. We would appreciate your support in reinforcing these rules at home to ensure all children have a safe and enjoyable environment in which to learn.

## ROOMS 14 & 15 ART EXHIBITION

Throughout term 2 our classes explored different types of visual arts, discussed our opinions, the messages they portrayed and how they made us feel. We researched Claude Monet, the famous French Impressionist artist and discovered many interesting facts and pieces of his art works.

Each student re-created and designed 4 of their own samples of art, based on several of Monet's pieces. Our Art Exhibition was held during week 10 and many family and special friends attended. The students put so much hard work into making it more like a show, where all the students played important roles to bring a little Paris and artistry to Burton Primary School!

### Reviews by the artists/students:

'I had the best time! I love how everything was set up. I had a great time welcoming everyone into the show.' Stefania

'My role in the art exhibition was a speaker. I felt nervous yet excited. Lots of adults were saying really nice things about my self-portrait I drew.' Kaknika

'My favourite artwork was the Waterlilies. I really enjoyed the comments everyone was so nice. The whole thing was a blast and I enjoyed meeting people.' Harlem

'My favourite part of the exhibition was wearing a French beret and saying bonjour, please go inside. My favourite art was The Waterlilies.' Nadia

'It was so much fun! I loved performing and all the art works were excellent. I want to do it again!' Riley

I felt so happy that people were saying nice compliments about my art. My favourite piece of artwork was haystacks at Sunset. I talked about haystacks in my speech.' Caitlen

## Does Attendance Really Matter?

1 or 2 days a week doesn't seem much but...

If your child misses....	That equals....	Which is....	And over 13 years of schooling that is....
1 day per fortnight	20 days per year	4 weeks per year	Nearly 1.5 years
1 day per week	40 days per year	8 weeks per year	Over 2.5 years
2 days per week	80 days per year	16 weeks per year	Over 5 years
3 days per week	120 per year	24 weeks per year	Over 8 years

If you want your child to be successful at school then

**YES, attendance does matter!**

We have been updating our attendance policy to be in line with Education Departments procedures and policies. Please familiarise yourself with our updated policy via the Website, or hard copy from the Front Office.

The attendance of our students is paramount for them to receive the best part of their education. It is vital for them not only academically but socially. If your child is unable to attend school please contact the school by phone/ diary notes or through the methods set up by classroom teachers. Continued failure to attend school will result in Truancy Intervention.
