Newsletter: Term 4 Week 1

Friday 16th September 2020

Welcome Back Families,

Online Roll Book

This week we have transitioned to an online roll book system called Academy.

If students are marked absent an automatic text message will be sent to the family. Please let the school know via return text, phone call to the office, or SeeSaw to explain the absence. If you reply to the text please include the students name, your name and reason for absence. You can let the office know that your child will be absent at any time by texting 0428218669.

If you receive a text stating your child is absent and you believe they are attending please call the school so we can ensure they are in class.

Late Sign in and Early Dismissals will continue as usual.

Sign in Late: If your child is late for school they must sign in at the office. They will receive a slip to take to the classroom.

Early Dismissal: If you are picking your child up early please report to the office to sign out your child.

You will receive a text message if your child attends the First Aid Room. If you require any further information about the illness or injury please call the office.

We may experience some teething issues as we begin our implementation and we will communicate with families if any issues arise. Thank you for your support.

2021 Class Placement Process

We are soon to start the process of planning for 2021. Please see the second page for a letter to parents. This will go out to families on Monday.

Book Week

Don't forget next week is Book Week. There will be a Parade on Friday. Students are encouraged to dress up. The theme this year is 'Curious Creatures, Wild Minds'. More information will be provided early next week on skoolbag.

Social Media Carly Ryan Foundation

As children have more and more access to online apps and websites it is important to understand the purpose and risks that these pose. The Carly Ryan Foundation provides information to parents about what these apps are about, suitable ages for use, potential risks they pose and how to minimise risk whilst using these apps. See the last page for more information or go to: <https://www.carlyryanfoundation.com/resources/fact-sheets>

2021 Class Placement Process

We will soon begin the process of forming classes for 2021. Before we begin the process, we need to know:

1. If your child/ children will **Not** be attending Burton Primary in 2021... or
2. If you have any particular requests regarding your child's placement into classes.

Please note the following:

1. Students will be placed according to what **Best Supports Their Learning**.
2. Students will be placed with at least one friend.
3. We do not accept requests about particular teachers.
4. It is not compulsory to complete a placement request. You do not need to submit a placement request if you are happy for teachers and leadership to organise your child's placement
5. All requests are confidential and should be addressed to the Principal, Michael Hosking. Requests will be accepted until Friday, October 30.

Please complete the form below if your children will **not** be attending Burton next year, or if you have a particular request about class placement.

Your child's class placement for 2021 will be sent home to you on Wednesday December 9.

QKR App

Burton Primary School is using the QKR App.

Please Note: In office sales will cease by the end of Term 3.

The App enables families to purchase uniforms, order lunch from the canteen and eventually pay school fees online. For further information, please contact Gill in the front office.

Ordering Uniforms: Term 4

From Term 4 onwards the ordering of uniforms must be done through the QKR App.

If you wish to try uniforms on for size this can be done on:

- Tuesdays 8.30am - 10.00am
- Thursdays 2.00pm - 3.30pm

SNAPCHAT

Snapchat is a popular messaging app that lets users exchange pictures and videos (called snaps) designed to disappear after they're viewed.

How does it work?

On Snapchat, users go by a handle. To add friends, you can upload your contacts, search for people you know or use the 'Quick Add' feature of add friends of friends or strangers easily. You can also automatically add someone by taking a picture of their "Snapcode," a special QR code unique to each user.

To begin a conversation every Snap starts with a photo or video. Snapchatters can layer text, emojis, doodles, and more on top, and choose how long they want the Snap to be displayed (up to 10 seconds). Then, you can send the Snap to one or more friends. Stories is a feature that lets you string Snaps together into one longer narrative that stays available for 24 hours.

Be mindful who are you sharing images with and always remember that everything on the internet is permanent. Make sure you are happy for potentially anyone to see your snaps and share without permission.

Live Stories

Live Stories are compilations of Snaps submitted by Snapchatters from events and locations around the world. Discover allows you to explore channels from established publishers who curate their own content. The Discover screen in Snapchat also includes a selection of the day's Live Stories.

Video and Text Chat

Snapchat also allows for one-on-one chat. Like Snaps, chats are cleared when a recipient leaves the Chat screen. But you always have the option to save a message you'd like to keep.

Lenses, Filters and Stickers

There are many ways to customise the look of your Snaps. Lenses add real-time special effects and sounds to a Snap. Filters offer different design overlays. Geo-filters are a popular way to customise your Snap at specific locations or events around the world. Stickers are colourful images and cartoons that give you additional ways to share content.

Memories

Memories is a private collection of the Snaps and Stories that you choose to save and that don't disappear. You can use Memories to create new Stories and Snaps. You can also choose to store certain Memories in the password-protected "My Eyes Only" section, which is an important feature for parents to be aware of.

Snapcash

Snapchat's payment feature is not for users under 18, but you should know about it so nobody "borrows" your debit card to pay someone back or receive money via Snapchat. Snapchat partnered with Square Inc., to enable users to link their Snapchat and debit card accounts to be able to make peer-to-peer payments for things like paying someone back for lunch.

Spectacles

Spectacles consists of sunglasses with a built-in video camera. The glasses light up to show that you are taking a Snap, this may not be obvious to everyone at first so if your kids are using Spectacles, talk with them about protecting other people's privacy by asking permission before recording them. You can connect the glasses directly to a phone via Bluetooth or WiFi to add videos to Memories.

Challenges

Snapchat is the number one application used for 'sexting' or 'sending nudes' between underage people. Users must be mindful of the social and legal consequences of sending images like these. If the user is under 18 years old it is illegal for them to produce, distribute or possess these types of images.

Child abuse pictures are illegal if they are:

- asked for;
- taken;
- received and kept; or
- sent, posted or passed around

The maximum penalty for sharing child abuse material can be up to 15 years in jail this includes an offenders details placed on the sex offender register.
